Subject: Brownfields programs in Lyon County

Eugenia,

Dante Rodriguez gave me your name when we asked about Brownfields Grants and Lyon County, Nevada. I am a consultant with the Yerington Paiute Tribe whose Reservation and Colony is located near the Anaconda Mine CERCLA Site. The Tribe has asked me to gather information on current and potential Brownfields Grants. We have previously reached out to the Northern Nevada Development Authority which we understand are handling a recent award for the area but they were not willing to discuss how the grant might affect the Tribe or provide work products from the Grant.

I would like to set up a conference call with you and my staff (Sarah Peters) at your earliest convenience. We are available today and next week but would like to provide information to the Tribal Chairman and Environmental Director as soon as possible.

Thanks,

Dietrick
